# Sex Across the Rainbow: Increasing clinical competency in sexual health discussions with clients.

## About This Workshop

- Overview of ethical and clinically competent attention to sexual health concerns for clinicians who are not certified as sex therapists or counselors
- Fluency in the language of sexual health
- Therapist self-awareness, expanding comfort, understanding limits, and knowing when to refer
- Physiological and medical overview of sexual functioning across sexual and gender spectrums
- Problematic sexual behavior: Current conceptualizations and research
- Pornography, erotic material, and BDSM

### **Friday session:**

- Didactic and process-oriented, structured group experience to explore attendees' attitudes and values related to sexuality, and to understand how these values might affect their clinical work. Explicit erotic and pornographic materials will be presented.

### **Saturday session:**

- Therapist competence, ethics of attending to sexual health concerns with clients
- Anatomy, physiology, & sexual response, including Trans sexual functioning
- Pleasure as a foundation in sexual health dialogues
- Out of control sexual behavior
- Nonconsensual sexual behavior
- Current laws relating to sexual behaviors
- Working lunch, further questions, and processing; relating to Friday's session

### **Presenters:**

- Braxton Dutson, LCSW, CST – Private Practice, The Healing Group
- Mary Fisher, CMHC – Private Practice; Psychotherapy & Sex Therapy
- Meg Martinez-Dettamanti, LACMHC, CSAT-C – Assistant Clinical Director, The Global Prevention Project at Namaste Center for Healing
- Nicole Mihalopoulos, MD, MPH – Chief of the Division of Adolescent Medicine, U of U School of Medicine, Trans health care
- Kara Posner, CMHC – Private Practice, member of the Guild leadership
- Jordan Rullo, PhD., ABPP, CST – Private Practice, Aspen Grove Counseling; Adjunct Assistant Professor in Clinical Psychology at U of U
